 25X1 perplexed concerning the program and her inclusion in it. In her confusion  
 25X1 she accepted the advice of a relative to take the matter up with McCormack.  
 25X1 I told her I was not familiar with the details of her situation but strongly  
 25X1 suggested that she remain in contact with [redacted] Personnel,  
 25X1 and be prepared to explore employment possibilities outside the Agency.  
 25X1 All of this has been reported to [redacted] Personnel, who also sug-  
 25X1 gested that we attempt to get [redacted] in more direct contact with  
 25X1 [redacted] who might be of assistance to her.
